August 10, 2017

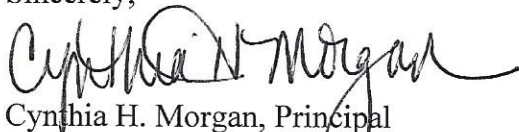

Dear Edgemont Primary School Parents and Guardians,

Welcome to Edgemont Primary School and to another great year of learning! I am honored to be the principal at Edgemont Primary School and look forward to being with you as we begin this school year together. We are happy you have entrusted your child's education to us. It is our goal this year to create an enriched learning environment that engages each child. Edgemont Primary School has an excellent teaching staff with a wealth of knowledge and an outstanding support staff, who work in different capacities to support your child's learning. This year's theme is "Literacy for All-No Exceptions, No Excuses." Of course as the first teachers in your child's life, we need and welcome your support and cooperation. Along with your assistance, we can foster an optimal teaching and learning environment for each child.

We encourage you to become active in our Association of Parents and Teachers; A.P.T. The A.P.T. is a wonderful way for you to share ideas and support the mission of the school. Another way to get involved includes volunteering to help our students, chaperone field trips, organize classroom activities and to share your area of expertise with the class. A letter about becoming an approved school volunteer will be coming home this week.

Working together makes a difference in the lives of our students. I look forward to working with all of the wonderful students, parents and faculty of Edgemont Primary School this year. Edgemont Primary School serves over 350 students in Early Childhood through third grade. We believe the first years of education for young children are critical to their future successes. If at any time you have question or concerns, please feel free to call the school office a 540-965-1420.

Sincerely,

Cynthia H. Morgan, Principal
Edgemont Primary School
